

FINANCIAL ANALYST

DEPARTMENT: Finance

REPORTS TO: Finance Manager

LOCATION: Leander, Texas

Do you have strong attention to detail? Do you want to work hands on with the Finance Manager and CFO on a daily basis?

CANDIDATE PROFILE AND JOB SUMMARY

enviolo is growing and seeking a Financial Analyst. We are looking for an individual that is passionate about their work and excited about the opportunity to work in a collaborative team environment for a fast growing international company.

KEY RESPONSIBILITIES & TASKS

- As the Financial Analyst, you will work hand in hand with the Finance Manager at preparation as well as improvement of the 5 Year Model.
- You will be responsible for preparing and managing the budget, by department, including maintaining all BvA reports and updates on a monthly basis.
- The Financial Analyst will be responsible for completing the AR Aging Analysis, as well as making any recommendations to the Finance Manager and CFO related to AR.
- As a key member of the finance team, you will be responsible for running all monthly analytical reports requested, analysing these reports and presenting them to the Finance Manager and CFO.
- You will also be responsible for preparation of weekly AP reports, as well as making a recommendation to the Finance Manager related to payment schedule.
- You will assist the Finance Manager on projects to support any finance department initiatives.
